ABOUT ME

Dynamic IT & Business Solutions Specialist with 12+ years' experience spanning IT systems support, data analysis, logistics optimization, and digital strategy. Proven record of reducing operational costs, increasing process efficiency, and scaling user engagement through predictive analytics, machine learning models, and business intelligence tools. Proficient in Python, SQL, Power BI, and IT infrastructure management with a strong ability to bridge technical expertise and business outcomes. Adept at delivering high-value solutions in fast-paced, cross-functional environments.

WORK EXPERIENCE

Etisiobi Nig. Ltd – Nigeria

Country: Nigeria

Logistics & Supply Chain Analyst

[11/2022 – 12/2024]

- Transformed raw delivery data into actionable insights using Python (Pandas) and Power BI, cutting overall logistics costs by 15%.
- Built predictive demand-forecast models, raising inventory accuracy by 20% and preventing costly stockouts.
- Designed interactive KPI dashboards (Power BI + SQL) that gave managers visibility to act 30% faster on operational issues.
- Coordinated suppliers and carriers to reduce delays, improving order-to-delivery times across multiple regions.

Institute of Management & Technology – Nigeria

Country: Nigeria

IT Systems & Network Support Specialist

[11/2018 – 10/2019]

- Closed security gaps by deploying critical updates, reducing network vulnerabilities by 20%.
- Standardized IT onboarding for 50+ staff, cutting setup time by 25%.
- Maintained 99% uptime with proactive system monitoring and rapid incident response.
- Led in-house training to boost adoption of digital tools, reducing repeat IT support requests.

Okocha Computers – Nigeria

Country: Nigeria

Junior IT Hardware & Systems Technician

[05/2014 – 11/2015]

- Diagnosed and repaired hardware/software issues with a 95% successful resolution rate.
- Introduced a feedback loop to improve service delivery, lifting client satisfaction by 30%.
- Enforced safety and compliance standards, preventing technical and workplace risks.
- Managed spare parts inventory, avoiding project delays due to shortages.

CyberNiche Computers – Nigeria

Country: Nigeria

IT Support & Cybersecurity Technician

[09/2011 – 09/2013]

- Balanced first-line technical support with flawless cash handling and 100% transaction accuracy.
- Removed malware/ransomware from 200+ devices, safeguarding business continuity.
- Reconfigured workstations for faster performance, boosting productivity by 15%.
- Resolved most user issues within 15 minutes, keeping downtime minimal.
